The AGM is an opportunity for us to look back on some of the successes and highlights of the past year and to discuss with you future plans for the NHS in Middlesbrough and Redcar and Cleveland.

Our Annual Report and Accounts for 2014/2015 will be formally presented at the meeting.

The health and wellbeing fair will feature stalls, information and demonstrations from services and providers of health and social care from across the local area. It will be an opportunity for patients and the public to find out more about health and care services. We hope you can come along on the day.
