You are invited to attend our next Big Potential event on 10th February 2016 at the Dolphin Centre, Darlington.

Big Potential is a £20m programme that helps voluntary, community and social enterprises find out if social investment is right for them and gets them started on the journey towards their first investment.

The event offers a fantastic opportunity to find out if social investment is right for you as well as learn more about the support and grants on offer to get you started on your investment journey. You will hear charities and social enterprises share their experience of taking on investment and meet experts who can help assess if social investment is appropriate for you.
