

# NATIONAL HATE CRIME AWARENESS WEEK

10TH-17TH OCTOBER 2015

Stop Hate UK has designated this as National Hate Crime Awareness Week with the aim of:

- **Raising awareness** of what hate crime is and how to respond to it
- **Encouraging reporting**
- **Promoting local support** services and resources

The three Police and Crime Commissioners in the North East, the three police forces and CPS North East have come together with local authorities, community safety partnerships and voluntary sector organisations to co-ordinate a shared response across the North East.

A number of activities have been arranged across the region, details of which are displayed inside this brochure, alongside daily joint media releases which will focus on a different strand of hate crime each day, as follows:

Monday 12th October

Wednesday 14th October  
Homophobic Hate Crime

Friday 16th October  
Transphobic Hate Crime

Tuesday 13th October
