Understanding the basic how to do something; helps us to find new ways.  
Stories have always been a foundation stone of our civilisation, past on from generation to generation; they should not be lost in our Recycle Bin.  
What stories can you find out about our area -  
It can be Written, Drawn or Painted; Audio or Video recorded - you chose the media

## GO VIRAL

Either on your own or with friends - design a game or challenge.

**Let's see if we can get it to Go Viral?**

- It has to be FUN and SAFE
- The game or challenge can be done anywhere by anyone
- With little or no expense (use recycled parts)
- Often the simplest things are the best
- There has to be a degree of difficulty - but not too hard
- Possibly against the clock
- It should not offend anyone or make them feel bad about themselves
- (Balance something / catch 3 cherries on a cocktail stick) -

**Use your imagination to create a challenge**
