

STIMULANT USE IN NORTH EAST ENGLAND

THE STUDY

Aims to understand stimulant use from ex or current users' perspectives

TAKING PART

We are looking to talk to people:

- ◆ Aged 18 years+
- ◆ Have taken stimulants (e.g. amphetamine, MDMA, ecstasy, crystal meth, amphet medication)
- ◆ Identify as a current or ex user
- ◆ OR have had the chance to use stimulants but chose not to

CONTACT

- ◆ e-mail: attune@ncl.ac.uk
- ◆ tel: 0191 208 3031
- ◆ www.facebook.com/attuneuk

You will receive a £10 voucher for participating
