

Adult Learning and Skills

At Redcar and Cleveland Adult Learning Service there is a course for everyone. Our courses are available at beginner, intermediate and intensive levels and are delivered both in the classroom and online, we also offer bespoke support for our online learners when needed. Please contact our business support team on **01642 771197** or **adulthoodeducation@redcar-cleveland.gov.uk** for details of all available courses.

Functional Skills Courses

The following Functional Skills Courses (Maths, English and Digital Skills) are **FREE** of charge.

Maths

Do you have a passion for fractions and decimals? No, neither do we. That's why our tutors have made this course as friendly and enjoyable as possible for all learners. Whether you want to complete this course for further learning or employment opportunities, by completing this course, you will gain confidence in your ability to solve problems in everyday life.

English

If you're looking to develop your English skills for personal or professional development, then look no further. Our English courses help you gain confidence in your writing, reading and speaking abilities, along with many others

Digital Skills

If you're trying to keep up with the times then our digital skills course could be the course for you. Our digital skills course is perfect for all levels ranging from beginner to experienced, so whether you struggle to find the power button, or you want to expand on your knowledge of formulae in Excel, there's a course for you.
