### Making a Difference

By being part of an extra ordinary team we work together to help transform the lives of local children, young people and families.

### Within The Junction

There are a range of services within The Junction all working towards shared goals and all focused on making a difference to the lives of children, young people and their families, including:

- Youth Employment Services
- Young Carers' Services
- Youth Services
- Children and Young People's Emotional Wellbeing and Mental Health Services
- Children and Young People's Specialist Transport Services

We pride ourselves on being able to provide multiple specialist services 'under one roof' with each service interacting together to provide the best possible seamless service to children and young people. We employ multi-disciplinary teams of professionals with backgrounds in psychology, social work, counselling, youth work and youth unemployment as well as other qualified and experienced practitioners who:

- Understand the issues facing children and young people
- Have the skills to effectively support them
- Can deliver outcome focused interventions

We have developed a unique service delivery model to ensure that clients are able to access a service that supports their individual needs. However, the ethos of The Junction ensures our services do not work in silos, although we recognise the need for service identities and separate lines of accountability to stakeholders.

All of our services are person-centred, outcome-focused and outcome-driven with an increased need to evidence the impact our services have on children, young people and their families.

# **Expectations and Job Description**

It is essential that everyone who works or volunteers for The Junction recognises how their efforts help us make a difference to the lives of so many children, young people and families who are in need of our support. It is equally important that everyone is conscious of how their role supports the Vision and Mission of The Junction and that everyone can feel a sense of pride in their work.

We are very protective of our reputation of putting children and young people at the heart of everything we do and we have a clear expectation that all of our workers believe in and work to the Values and Key Principles of the organisation.

#### Vision

Our vision is a world where no child, young person or family is left to struggle. We want a world where there is always someone to talk to.

#### **Mission**

To empower children, young people and their families to embrace life with confidence, facing life's challenges in a positive way.

Values	Key Principles		
We listen	Children and Young People are at the heart of everything we do		
We genuinely care			
We don't judge We empower	Our workers are the key to building strong, positive relationships		
we empower	Working in partnership to make change happen		

## **Working within The Junction's policy environment**

All staff and volunteers within The Junction are expected to work in accordance with the policies, practices and procedures of the organisation. Key to this approach is a commitment to promote and safeguard the welfare of children, young people and vulnerable adults, as safeguarding is everyone's responsibility. Similarly, all staff are expected to demonstrate a commitment to promoting and valuing diversity, being prepared to challenge the use of discriminatory language and to support and encourage non-discriminatory practice.

## **Personal Development**

All staff are expected to make a commitment to their own personal development, partaking in personal development opportunities and undertaking training, supervision and appraisal as required and to support the personal development of others, particularly apprentices.
